

Streamline your experience with Great American Life®'s secured website. Here are a few highlights!

Manage your business with ease

Log into the site and visit [Business Management](#) to manage your entire book of business:

- **Pending business:** View your pending business with one click! Detailed search criteria is not required.
- **Not in Good Order (NIGO) business:** View details and download documents so you can resolve NIGO issues faster.
- **Pending transfers:** Quickly find the status of pending transfers.
- **Active policies:** Easily search in-force business to find contract values, account activity, correspondence, strategy allocations and more.
- **Enhanced data availability:** Export detailed reports in Excel or CSV format.

To create a login:

- Click [Login](#) in the top right corner of the screen.
- Select [Create a User ID and register here.](#)
- Enter your information on the [Create Agent Web Account](#) page. Please have your agent number available.
- Click [Create Web Account.](#)
- You will be prompted to create a username and password.

Streamline notifications with My Inbox

- With [My Inbox](#), you can find renewal letters, client correspondence, NIGO alerts, surrender notices and company announcements in one convenient place.
- You will receive email notifications when new messages are added to your inbox.
- To access [My Inbox](#), click the mail icon in the top navigation. An exclamation point appears if you have unread notifications.

Quickly access marketing materials

- Key marketing materials can be found on each product page.
- Easily search for additional materials by visiting [Sales Tools > Marketing and Sales Materials.](#)
