# Do you want to spend time with family?

*Cindy from California, customer since 2005*

“My three beautiful granddaughters make my life great! Although they live on the complete opposite coast, my wife and I make the cross-country trip several times a year. One of my favorite things to do is to hold and hug all three together for a picture, but it’s getting harder as they get older and bigger. Hopefully I can do these a bit longer, it just fills my heart!”

- Wallace from New Jersey, customer since 2018

*James from Michigan, customer since 2018*

# Do you see yourself volunteering or starting a new hobby?

*John from New Hampshire, customer since 2000*

“After I turned 50, I started a nonprofit to help reduce waste and hunger in San Diego. It has been exhausting but very exhilarating to be able to fulfill this dream in my “second chapter.” This opportunity to truly make a change and improve people’s lives daily is what makes my life GREAT!”

# Or maybe world travel is your dream...

“Taking a stupendous backpacking trip of a lifetime with extended family and looking forward to the next trip to the backcountry wilderness with family or friends.”

# Is an annuity right for you?

An annuity is designed to protect and grow your money, and then provide a stream of income during your retirement. In fact, other than pensions, annuities are the only products that provide guaranteed lifetime income.

There are several advantages to annuities, including:

## Protection and growth

Grow your money while protecting all or some of it from loss.

## Tax-deferral

Take advantage of tax-deferred growth.

## Retirement income

Turn money you've saved into a regular paycheck for a number of years or for life.

## Death benefit

An efficient way to leave a legacy for your loved ones.
