

Index Protector Fee-Based Annuities

Quick Comparison

An Index Protector fee-based annuity can strengthen clients' portfolios by serving as an alternative to bonds, which can lose value when interest rates rise, or to equities, which leave clients exposed to market volatility. Take a closer look at our comprehensive lineup of Index Protector annuities.

Built for the RIA market

Participation in market growth

Principal protection

Diversified earning potential with five indexed strategies

	Index ProtectorSM 7 (MVA) Could be a fit for clients focused on greater accumulation and income opportunity	Index Protector 5 MVASM Could be a fit for clients seeking a simple product without early withdrawal charges	Index Protector 4SM (No MVA) Could be a fit for clients seeking the flexibility to access funds penalty-free after just four years
