If there is more than one current Term of an Indexed Strategy, and you do not specify the Terms to which your election is to apply, your Performance Lock election will apply to all current Terms of that Indexed Strategy.

Acknowledgement and Agreement

I understand and agree:

- (a) This election will lock the Daily Value Percentage used to calculate the Strategy value for the remainder of the Term. The locked Daily Value Percentage will also be used to calculate the Strategy value at the end of the Term.
- (b) The locked Daily Value Percentage will be fixed on the second Market Close following receipt of this election at the MassMutual Ascend Life home office. When I submit this election, I will not know in advance the locked Daily Value Percentage that will apply. It may be higher or lower than the Daily Value Percentage when I submit this election.
- (c) On any date, the Daily Value Percentage will almost always be lower than the value suggested by the rise or fall of the Index. This is because it is calculated by subtracting the Amortized Option Cost and Trading Cost from the Net Option Value. This difference will be more pronounced for a Performance Lock election made early in the Term.
- (d) Once the Daily Value Percentage is locked, my Strategy value will no longer be affected by a rise or fall in the Index or by a change in the Net Option Value, Amortized Option Cost, or Trading Cost.
- (e) A Performance Lock election for a 5-year Strategy will mean that the Term will end on the next anniversary of the Term start date.
- (f) For an Index Summit 6 Pro contract, the Strategy value after a Performance Lock election will continue to change through the remainder of the Term on account of the reduction of the Investment Base by the Daily Charge.
- (e) This Performance Lock election cannot be changed or revoked.

I agree that MassMutual Ascend is authorized to process this election and I agree to hold MassMutual Ascend harmless against any and all claims made by reason of this election. If this Contract has joint owners, either both must sign this election, or I certify that I have the authority to act on behalf of both owners.
